

CRAIG LAKE

PRIMARY FISH

Walleye, Northern Pike, Muskellunge, Black Crappies, Smallmouth Bass

SERVICES

Boat Launch, Camping, Rental Cabins

Anglers can enjoy wilderness camping on the islands and around the shore of this 307 acre lake.

Figure about a one-third mile walk between the gated parking lot and the launch site, so think canoe. Rent a cabin here by contacting the manager at Van Riper State Park. Craig Lake is surrounded by 10 other lakes. Special fish and boating regulations apply here. See the "Michigan Fishing Guide" for rules.
